## Debtors

Debtors  
20 December 07

please ensure this is passed on to the relevant person at your school

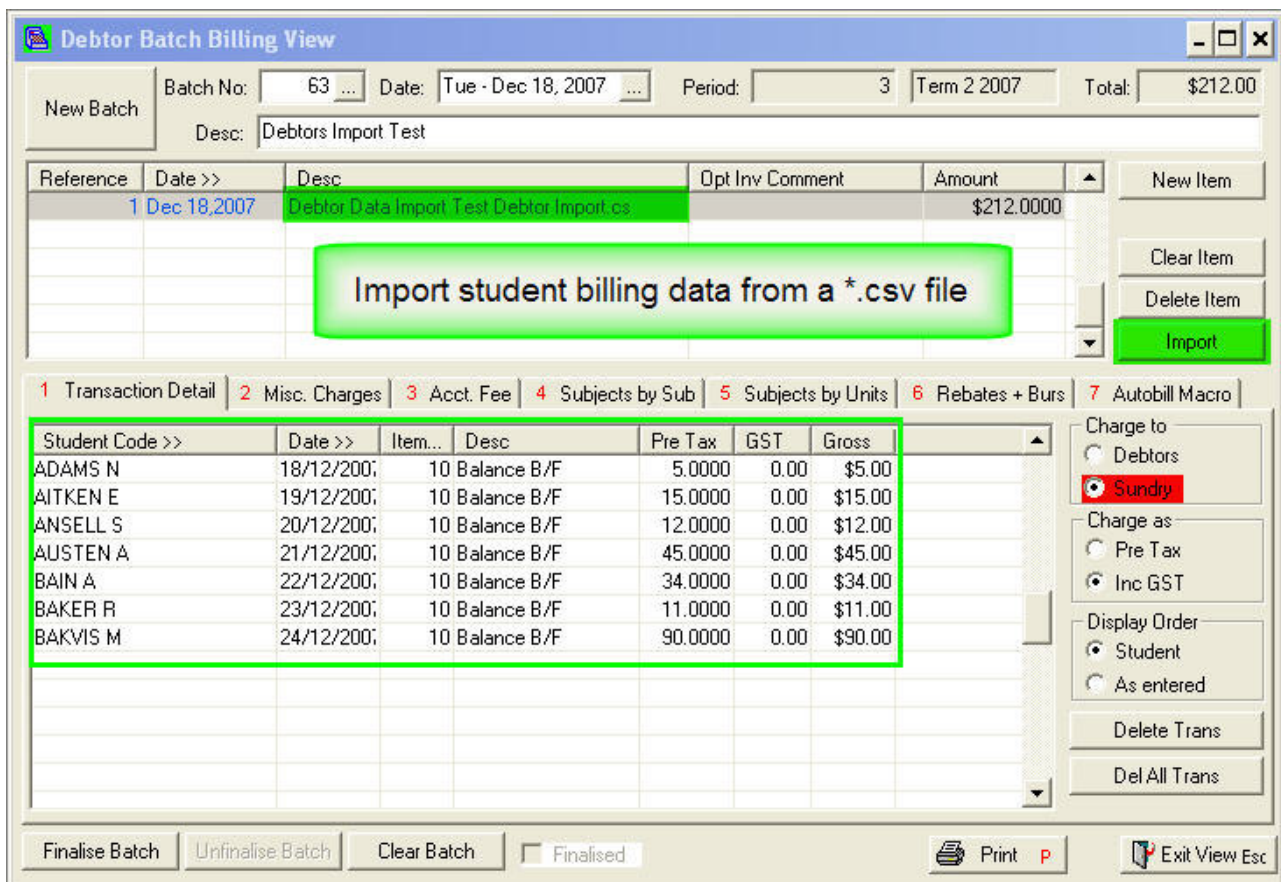

### Import Billing Tech Tip

A new Import Billing Tech Tip is now available for download. Please visit the PCSchool Website or use the link below:

[www.pcschool.net/download/ImportBillingTechTip.pdf](http://www.pcschool.net/download/ImportBillingTechTip.pdf)

This tech tip contains instructions on how to import billing information via a .csv file into the Debtor Batch Billing.

The Import Billing can be used for any purpose, some of the current uses are importing phone charges for boarding students, uniform shop expenses and tuck shop charges.

Visit the PCSchool Web Page for the latest updates and information
