### Budget Tech Tip

A new Budget Tech Tip is now available for download. Please visit the PCSchool Website or use the link below:

[www.pcschool.net/download/BudgetTechTip.pdf](http://www.pcschool.net/download/BudgetTechTip.pdf)

This tech tip includes information on using the export/import feature, creating a budget manually and running budget reports.

The screenshot shows the PCSchool software interface for budget management. At the top, there are fields for 'Entity Code' (COLLEGE), 'Your School Name', 'Model Account' (110), and 'Gross Tuition Fees'. A green box highlights the text 'Creating your budget for 2008' in the center of the screen. Below this, there is a table with columns for 'Budget' and 'Revised Budget' for the years 2005 and 2004. The 2005 table shows a budget of 155,000.00 for January and March, and 0.00 for other months. The 2004 table shows 0.00 for all months. At the bottom, there are buttons for 'Save F2', 'Clear All F5', and 'Exit View Esc'.
