Debtors Account Comments Enhancements

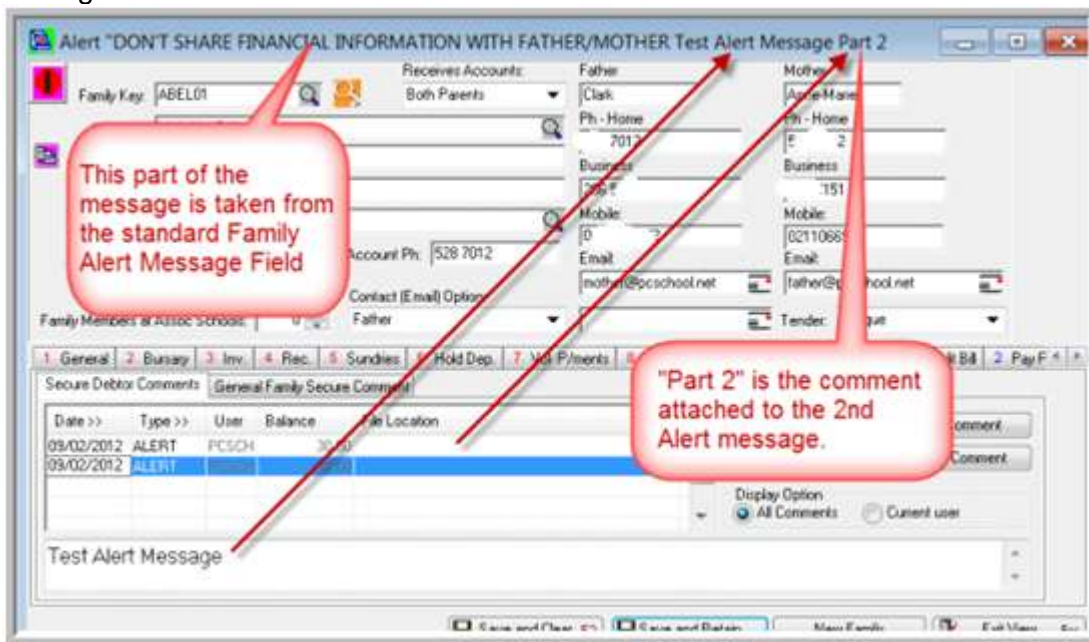

Alerts

Debtor Version 2011.2.0.185 or higher

Added additional Debtor Alerts to debtor Comments and enabled Embedded Email of Debtor Comments

Added Category to the Debtor Messages where by a message of Type “ALERT” will display on the top of the Account Masterfile whenever the specific debtor is brought to the screen.

Adding Alerts to Debtors

An Embedded EMail Button has been added to the Debtor Comments.

Where the user has highlighted a Comment in the grid then pressing the new button will take that comment and a constructed Subject directly into PCSchool's Email object enabling you to simply add the recipient and send all from within PCSchool.
